Dear Gladys,

Finally got around to copying the material, that I told you about. Enclosed is pension files of Mary Tipton, wife of William [son of Rhodes], Emma Tipton, wife of Charles [son of Rhodes], and John Powell, husband of Caroline Tipton. [dau of Rhodes Tipton) 1st marriage

Also enclosed is the obituary and article of the accident of Caroline Powell. Then the article on William French, whom she lived with [as a child] in Iowa in the late 1840s and early 1850s. I also enclosed the group sheets on my family.

I've been really disappointed that I haven't been able to come up with the birthdate of Caroline Powell. I have been trying to find ancestors of her children, with no luck, so far. I will still pursue finding her relatives. May fall into something, sometime. She had a daughter that John stayed with, for a while, in Wellington. Thought I'd try to run down decendants of her's, one day.

I have been trying to correspond with Douglas county, with no luck. There is very poor record keeping at the Genealogical Society, there. [TRUE!] They will hardly answer letters. Also they almost never find what you want. I guess I will have to take a day and go to Lawrence KS. I know there is more there than they have found.

When I get time, I'll go to the Johnson County Ks. courthouse and get the information on Rhodes's farm here in Shawnee Mission. That should be no problem. Most county records have been computerized. They should be able to call them right up.

I still haven't heard from Van Buren county Iowa, about the possible jail term of Rhodes. Also haven't heard from Athens County Ohio, either. Will share the information, when it arrives.

I gave Lorri, my cousin, your address. She said she will write you. She has some information on a Tipton Association. I haven't seen the material, yet.

I must start getting ready for work. Better get this mailed, before I leave. I will keep in touch and share any information that I find. I'm sure Lorri will, too.

Sincerely,
Bill Powell

A PHOTOGRAPH SENT TO SHERIFF THE IDENTIFICATION

the Topeka Capitès that the man idently shot here ieved to have been who worked four elan bridge extenwere no marks of on him other than iis pocket a return Brothers. The description given of him however led to the suspicion that it was Vincent and Mr. Wycoff sent the sheriff at Leavenworth a photograph of the man which proves his identity almost beyond doubt.

This however does not give the authorities any clue to his relatives or friends although he was heard to mention a daughter living in Leavenworth, but she has not yet been located.

The body is still being held at the Farris undertaking rooms in hopes of finding some clue to relatives or friends who might dictate as to its disposal.

Mrs. J. N. Powell Dead

Word has been received from Lane of the death of Mrs. J. N. Powell, who died yesterday about 12:30. The funeral was held this afternoon at 3:00 o'clock. Mrs. Powell had the misfortune to fall and break her hip a couple of weeks ago, and at her advanced age, was not able to recover.

Mrs. Powell often visited here when her daughter-in-law, Mrs. Mary Powell, was a resident of our city. She is survived by her husband and several children, to all of whom the News extends sympathy.

POSTOFFICE PAYS ITS WAY

ONE MILLION DOLLARS IS DEPOSITED TO THE DEPARTMENT'S CREDIT

Washington, May 28.—For the first time in the history of the service the deficit in the Postoffice Department has been wiped out entirely, and 1 million dollars surplus for the current fiscal year, ending June 30, is in the treasury to the department's credit.

Postmaster General Hitchcock signed a warrant last night returning to the Secretary of the Treasury 3 million dollars, the last of the amount set apart from the public funds to assist in defraying the expenses of the postal service for the present fiscal year. Reforms in the financial system, it is said, have made the refund possible.

An accounting plan, which was adopted about a year ago, insures the prompt deposit in the treasury of postal funds not required immediately for disbursement at postoffices, thus making available for use by the Postoffice Department several million dollars that, under the former practice, would be tied up in postoffices. Under the old system it required approximately 10 million dollars to finance the postal service.—Kansas City Times.

Mrs. Powell of Lane, aged 74 years, came to Paola Wednesday and spent the day with her grandson, C.E. Steel and wife. In the evening she went out on the porch at their home to take a cab for the train, and fell from the porch about three feet to the ground, breaking one of her hips. Mr. Powell came up from Lane and she was taken home Thursday. She was placed on a cot and taken to the train i in an ambulance and placed in the baggage car.
